

13 June 2024

## **Finance Council Meeting**

**Attendees: Fr. Augustine, Rodney Davenport, Eva Dorsey, Linda McHugh, Steve Vitucci**

Father began the meeting shortly after 6:00PM with an opening prayer.

There were no minutes from our April meeting. We recalled the topics covered and accepted what we remembered as our minutes until minutes can be produced for our next meeting.

Father Augustine updated the council on the status of the Organ, Andrew will be at Holy Family the week of June 24, 2024, to connect the organ to the pipes.

Repairs for the Church- Father discussed the need to have the roof of the church, social hall, faith formation center, and Andre Hall repaired. The insurance adjuster will have to adjudicate the repairs and report them to the diocese. Once this is done the insurance and deductible will determine when the repairs can begin.

The Air Conditioners in the Church, the FFC, and Social Hall all need to be repaired. The AC units we have are old and will eventually need to be replaced.

The P & L and Balance sheet were briefly introduced. Financially we are in a very good position.

Father briefly discussed the need for our older parishioners to consider leaving some financial resources to the church in their wills.

Eva Dorsey tearfully submitted her letter of resignation to Father Augustine. It was met with great sadness by all of us. Her service to our parish has been spectacular.

Agreed the next Finance Council meeting will be 29 August at 6:00 PM at a place to be designated.

Father closed the meeting with a prayer.

Respectfully submitted.
